

**Become part of the team and be at the CENTRE OF THE EVENT!**

***Volunteers*** will get the chance to become involved and spend time *back stage*, in the *event control* offices, in *hospitality areas*, in the *press office*, *marketing department*, with the *street performers* and the *Clipper sailors*.

**Don't miss this opportunity to experience what it is like behind a major event, bulk up your C.V, meet new people and, most importantly, have great fun!**
