

Re: Photographs of children engaging in activities during a Lifetime Lab Classroom Workshop

Dear Principal,

If you would like photographs of the children from your school engaging in activities during a Lifetime Lab Classroom Workshop to feature on our website www.lifetimelab.ie we need to confirm that permission has been obtained from the parents(s)/guardian(s) of the children for such photographs to be taken and displayed.

I would be grateful if you could sign the declaration below and return it before or on the day of the workshop.

I attach for your convenience a blank photograph permission slip for completion by parents/guardians in the case where the school does not already have its own standard form.

Your co-operation in this regard is hugely appreciated.

Best wishes
